

Anthia nodded because both thoughts were the same in their heads. If b had any power whatsoever over the Chenfereds, dont let them get by easily.

Samantha took up the cake and splat! it smashed on the floor. Anthia took the punch and aimed it at the wall. SPLASH, CRASH! That was the end of the punch Mrs. Chenfered screamed and hid her face.

Anthia ran up, got a hammer that had been used to decorate the room (hammering nail to hold up streamers) and pounded the floor with it.

By then all was a mess but the orphans just started. They ripped up everything ripppable, broke everything breakable and took off Mrs. Chenfereds wig. (she didnt look to good without her wig on. But Mrs. Chenfered screamed so hard that in Tinas haste to cover her ears, her ribbon fell out and the room dimmed out.
